

INTERRUPTION TO DRINKING WATER SUPPLY

Dear Sir/Madam

As part of a program to improve our service to customers and the quality of the water supply, Balranald Shire Council has engaged contractors to install and repair valves on the **Drinking** water mains in your area.

This will result in an interruption to the **Drinking** water supply at your property between the hours of:

2.00pm to 4.00pm on Thursday 16th May 2019

The Raw Water System to your Property will not be affected.

What if I am elderly, have health concerns or other special requirements?

For special needs customers or for customers whose circumstances require continuous supply of drinking water, please contact:

Balranald Shire Council
03 5020 1300

Council apologises for any inconvenience caused.
