1 GENERAL MANAGER'S REPORTS**1.1 NAIDOC WEEK CELEBRATIONS**

File Number:	D21.52065
Reporting Officer:	Ray Davy, Acting General Manager
Responsible Officer:	Ray Davy, Acting General Manager
Operational Plan Objective:	Pillar 1: Our People – A community that is proactive, engaged, inclusive and connected.

OFFICER RECOMMENDATION

That Council approves “in principle” the holding of a family event on the River Bend Reserve on 10 July 2021 as part of NAIDOC Week celebrations, and authorises the General Manager to make such arrangements and apply such conditions as may be reasonably necessary and appropriate to facilitate the event.

PURPOSE OF REPORT

The purpose of this report is to advise of an approach to Council on behalf of the local NAIDOC Committee to hold a “family event” at the River Bend on Saturday 10 July 2021 as part of 2021 NAIDOC Week celebrations

REPORT

Council has received an approach from Emma Moore, Nurse Manager at Maari Ma Health Aboriginal Corporation, on behalf of the newly established NAIDOC Committee, seeking approval to conduct a “family event” at the River Bend on Saturday 10 July 2021 as part of 2021 NAIDOC Week celebrations. No specific details of the proposed event have been given, other than that it would run from approximately 10.30 – 11.00 am until 2.00 – 3.00 pm (times not yet fixed. The suggestion is that this be set up in a similar manner to the Youth Council colour event held at that location, with a dedicated fenced off area.

NAIDOC Week has become increasingly prominent in recent years as an element of national reconciliation, and it is recommended that Council support the holding of the event at an “in principle” level, subject to the General Manager obtaining sufficient detailed further information. Given the short timeframe for planning the event, it is recommended that the General Manager be authorised to make such arrangements and apply such conditions as may be reasonably necessary and appropriate to facilitate the event.

No direct financial support has been requested. However, some “in kind” resources may be allocated when further details are known.
