

## **DRINKING WATER PRESSURE REDUCTION**

Dear Residents

As part of a program to improve our service to customers and to renew and replace old assets in line with good asset management practice, Balranald Shire Council has engaged contractors to inspect the drinking water towers at both **Balranald and Euston**.

This work will be carried out on **Wednesday 8<sup>th</sup> June**.

**The pressure will be reduced evening of Tuesday 7th and be restored by evening on Wednesday 8th June.**

Water will still be available at your property throughout the day although will be at a reduced pressure.

If you require more information, please contact Balranald Shire Council on 03 50 201 300 during working hours

Balranald Shire Council thanks our residents, in advance for their cooperation during this work and apologises for any inconvenience.

**Jeff Sowiak**  
**General Manager**
